

Safety card seminar

Time: September 13th at 10:00-13:00

Place: Sheraton Sopot Hotel, conference center & Spa, meeting room James Cook

The seminar ends with a small lunch buffet for the attendants

Background:

Today many different systems are in use in Europe in order to train contractors in occupational health and safety. The content and purpose of the training can vary slightly between systems as well as the validity time. There is an interest from many of the stakeholders to standardize this and make the process more transparent. By gathering organizations involved in safety card systems as well as users we hope to bring more light into this subject.

Program:

- *Welcome and introduction – Bruce Phillips, Chairman of ENSHPO*
- *National safety card systems in use in Europe – a short introduction and examples – representatives from various organizations*
 - *Occupational Safety Card Finland, Päivi Rauramo TTK Finland*
 - *SSG Entre Safety Passport Sweden, Johan Nylander SSG Sweden*
 - *Project “Safety Card”, Lidmila Kleinová, CIVOP Czech Republic*
 - *Safety Pass Alliance, Ray Gibbs, SPA United Kingdom*
 - *SCC Diploma, Eugéne Hillen SSVV Holland*
- *The perspective from global international companies with workforce in many countries*
 - *Jukka Rikkinen, General Manager occupational safety and health*
 - *Johan Stenberg, Safety Manager Siemens Industrial Turbomachinery*
- *Examples of harmonized approaches – how can we build bridges?*
 - *Sweden/Finland, Johan Nylander SSG Sweden & Päivi Rauramo TTK Finland*
 - *VCA Platform, Eugéne Hillen SSVV Holland*
- *Panel discussion around the vision of a European Safety card*

The seminar is free of charge but we want you to register before.

Please send your registration to:

johan.nylander@ssg.se or paivi.rauramo@ttk.fi no later than September 5th
